Each rising 9th grade student that selects East Side High School as their first choice to attend East Side High School in the fall of 2018 is strongly encouraged to attend the Step Up Program starting August 20th to August 24th, 2018 at East Side.

Take that Step Up to High School!

Step Up Program comes to East Side High School

The goal of the step up program is to provide high level instruction, skills, and content related knowledge designed to academically advance incoming 9th grade students to East Side High School. The step up program will provide instruction in the four core academic disciplines of social studies, math, language arts, science and as well as enrichment courses art, new media production, coding academy, high school success seminar, debate techniques and team building activities. The

step up curricula will support and reinforce the skills necessary to satisfy common core standards and assessments.

The main focus of this program is not remediation but course advancement, skills preparation and student academic growth. This program will expose students to project based learning with a culminating project and presentation at the end of the session.

Also, student ID pictures will be taken and school lockers assigned
