EAST SIDE'S SHOWCASE
 Saturday, January 26th from 10 to 11:30am
 Light refreshments will be served

East Side is Newark's largest comprehensive high school and has been a beacon in the district and the East Ward for over 100 years. With this tradition in mind, we invite you to consider East Side where your child will have a chance to shine. We understand that our children are facing new challenges for their futures and you, as parents, need to know that East Side has their best hopes as our central concern. Our common goal is the well being of your child's education, character and future. Come and see what we can do here at East Side High School!

Academics

East Side's motto is "Dare to Be Great!". This exemplifies our student's success stories which are as countless as the stars in the sky...

FEATURED PROGRAMS: **HONORS**

Our Honors/Gifted and Talented Program/ East Side Opportunity Program (ESOP) is available within all Departments. These programs further enhance our exceptional students' opportunities to hone their skills to succeed in a competitive university and ultimately, in the workforce.

COLLEGE CREDIT

Esssex County College and East Side High School have a unique partnership where students can earn an Associates Degree and 64 college credits. These credits can be earned on our campus during the regular school day. All credits are transferable to any NJ State University or College.

INTERNATIONAL BACCALAUREATE

East Side High School is an authorized IB Diploma Program. The diploma program is a comprehensive and challenging pre-university course of study leading to examinations. The IB Program is a rigorous two year curriculum that encourages intellectual thinking and has an international perspective.

Magnet Academies

Our new Magnet Academies will be guided with our academic, and industry partners to ensure that our students graduate with marketable skills and certifications, and take advantage of opportunities and internship experiences available in the great city of Newark. These experiences and certifications will help increase their prowess, knowledge and marketability in today's competitive workplace.
