Principal - East Side High School

Where Passion Meets Progress

August 8, 2020

Dear 2020/2021 East Side Students and Parents,

East Side High School is the home of the **Internship B P L Academy** which has fostered student-centered learning since 2009. Over the years, the BPL Academy has functioned as an incubator for innovation in the school. It encourages students to research and personalize their learning. Making that learning related to the real world, as such, it becomes authentic learning. The Academy offers opportunities for students to go beyond the walls or virtual walls of the school and begin the journey to discover who they are as a person, what are their passions, and what guidance do they need to achieve these goals.

Highlights

- Advisor who will support student for all 4 years of learning and after graduation
- Honors level courses offerings.
- Project Based Learning
- (Soft Skills Training) Resume, cover letter, and interview skills !!!!!
- We have over **200 Internships** offered in Coding, Medicine, Law, Radio, Animal Health, Social/Mental Health and more !!!!! all that will connect and become references for students virtually.

Please fill out the form below to receive a **phone call on more information** and a chance to interview for one of the spots in the coming school year. Our advisories do not exceed over 20 students, so teachers and staff can know all students personally. We take pride in our student-centered approach and having consistent communication with our families.

Brian Klasner
Director of Innovative Academies at ESHS
