Acts of Kindness Challenge

All year long, students will participate in weekly kindness to help strengthen our culture of kindness. This month, we are spreading even more kindness during our Random Acts of Kindness Week 2/14-2/18! (Please see attachment)

We will hold a teacher/staff "Shout Out" daily to model for our students how we show kindness. What better role models than the teachers/staff they interact with daily. Please be sure to write down examples of acts of kindness you see at home to help add to our display.

Service Learning/ Community Exchange

This month, students will participate in purchasing Valentine's gifts from our store. All proceeds will go towards our school's Fun day in June. All students will participate during February 1 to 14, 2022.
