

# How to Access Lexia® Programs with Clever

## How does my student log in to Lexia programs at home?

Your district uses a program called Clever. At home, your child will access Lexia programs by logging in to their Clever Dashboard the same way they log in at school.

**Browser version:** Lexia® Core5® Reading or Lexia® PowerUp Literacy® can be used on recent versions of the following browsers: Chrome (including Chromebooks), Edge, Firefox, and Safari.

### Log in through Clever:

1. Go to the Clever login page for your student's district. If you don't know the district's Clever login page, you can go to [clever.com/login](https://clever.com/login) and search for your student's school.
2. Have your child enter their login credentials on the Clever login screen, and then locate the icon for their Lexia program in their Clever portal. When they select this icon, they should be able to access the program.

**OR**

### Log in with Clever button:

1. Go to [www.lexiacore5.com](https://www.lexiacore5.com) or [www.lexiapowerup.com](https://www.lexiapowerup.com) and select the "Log in with Clever" button.
2. On the Clever login screen, select **Log in With Clever** or **Log in With Clever Badges** (if your child has a Clever badge and if you have a webcam-enabled device).
3. Log in with the Clever login credentials that your child's teacher provided, or follow the instructions for scanning the badge.

**iPad Version:** Core5 and PowerUp can be used on many iPads with iOS 10 and above.

1. Download the free **Lexia Core5 Reading** or **Lexia PowerUp Literacy** app.
2. Download the free **Clever app**.
3. Open the Clever app, and have your child log in using their Clever credentials. Select the Core5 or PowerUp icon in their Clever portal.
