

Improving Mindsets

Monday, November 13, 2023

Having a growth mindset is the key to success. What kind words do you use while engaging with your family?

My Kind Words

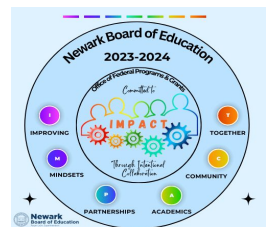

Partnership

Tuesday, November 14, 2023

Communicating with your child and allowing them space to feel at ease while studying at home has shown to increase academic performance.

Who is your partner in building skills at home?

Write a postcard reminding them how you appreciate them and share one new learning.

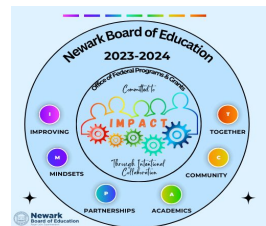

Community

Wednesday, November 15, 2023

When schools, families, and community groups work together to support learning, children tend to do better in school.

Create a greeting in your native home language sign saying “Welcome or Hello”. What places in your community are you valued with your family? List them and share with others.

Academics

Link to Learning Recipe

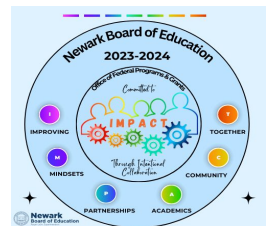

Thursday, November 16, 2023

The home learning environment is an effective combination of educational resources and activities. Cooking can increase your child's vocabulary and understanding of culture.

Enter a family recipe and share a taste of your family's culture and diversity.

Together

Home-school and community partnerships are widely promoted for the positive impact they can have on students' motivation, engagement, behavior, and academic and social outcomes.

What opportunities do you have planned to stay engaged in order to partner for student success?

This month I plan to...
