Grades4life Programs

Our Focus

Youth Entrepreneurship

Students will have the opportunity to learn how to use their skills, passions, and team work to create and present youth lead businesses. At the end of these programs, participants will have the opportunity to pitch their ideas and concepts to the student body as well as community supporters. These enrichment programs will teach valuable life skills including the following:

- Social Emotional Learning
- Financial Literacy
- Business Management
- Peer to Peer Learning
- Confidence Building
- Team Work
- STEM
- Gaming & Coding
- Technology
- Marketing
- & More

L Lyfepreneur

Social Impact

Our
Impact

Community Partnerships

Grades4life partners with various communities, business groups, and educational institutions who support the professional development of our future leaders. At Grades4life we believe developing collaboration is paramount to success.

Partner With Us

Grades4life programs are developed to bridge the gap to connect youth to resources, create exposure to career path opportunities, and support overcoming barriers related to access and social economics. We invite you to partner with us and help the world get a better grade for life.
